Table of Contents:

1. NMR spectra of phosphorylated nitrones 7a,b and 3-phosphonyl <i>N</i> -hydroxypyrroles 5	S2
2. NMR spectra of phosphorylated nitrone 7c and 3-phosphinyl <i>N</i> -hydroxypyrroles 8	S20

[#] Contact this author regarding the X-ray crystal structure determination.

1. NMR spectra of phosphorylated nitrones 7a,b and 3-phosphonyl *N*-hydroxypyrroles 5

Long-Range Correlation $2D\text{-HMBC}$

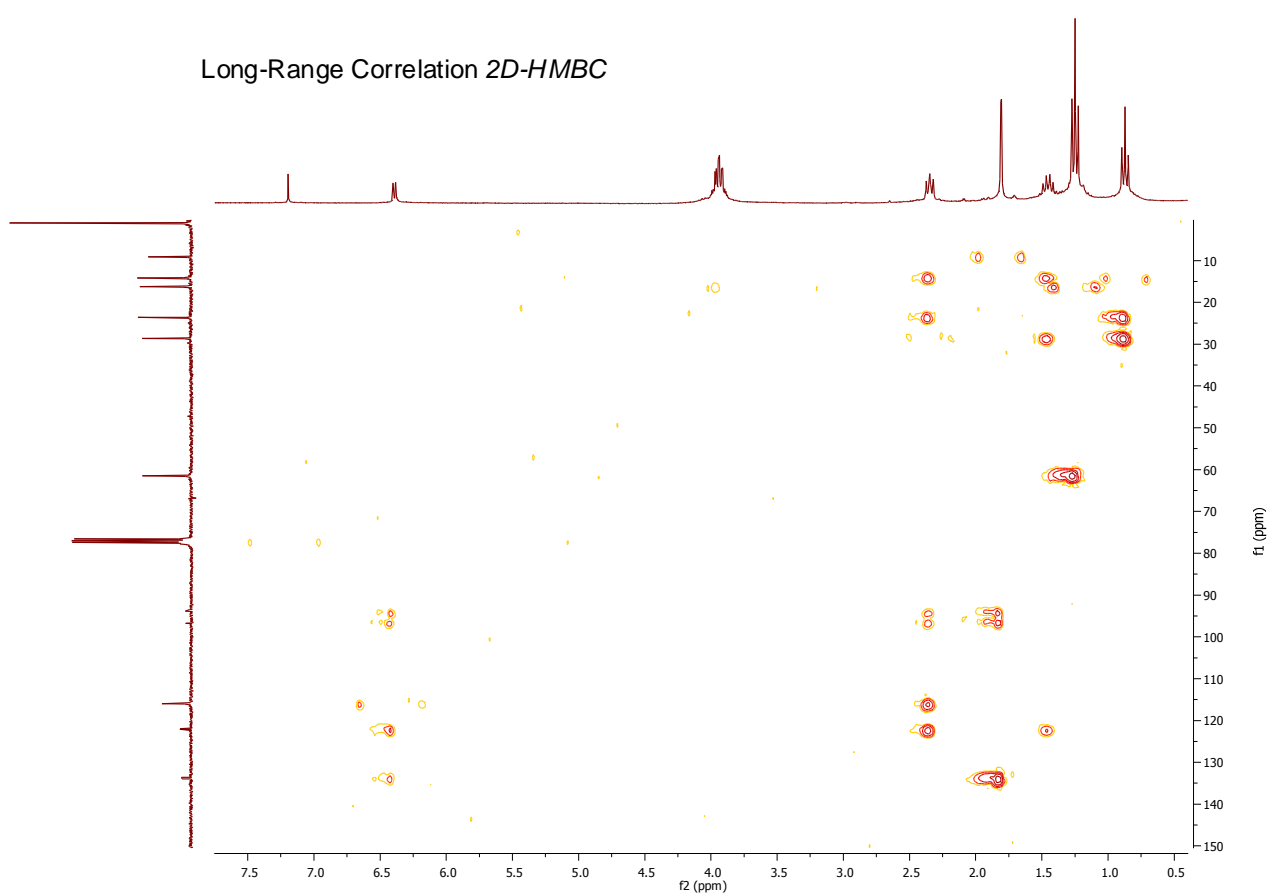

Long-Range Correlation 2D-HMBC

2. NMR spectra of phosphorylated nitrone 7c and 3-phosphinyl *N*-hydroxypyrroles 8

Long-Range Correlation $2D\text{-}^1\text{H}\text{-}^1\text{H}$ NMR
